# Total Reach 2023 OVER 1 MILLION

## Mission & Vision

The Chris Klug Foundation inspires and educates individuals to increase registration for organ, eye, & tissue donation. Through our programs and events, we reach hundreds of thousands of people each year, equipping them with the facts about organ donation so they can make educated decisions.

## How We Do It

### Inspiration

### Registration

# Letter from the Executive Director

What a year!

I am overjoyed to announce that 2023 was a banner year for our Foundation. Not only did we double our 2022 numbers, our reach exceeded 1 million people! It was an absolute honor to watch this organization thrive during 2023, and I eagerly anticipate what is coming in 2024.

I would like to publicly acknowledge and thank my co-worker, Anna Morgan-Palardy. The incredible achievements of 2023 would not have been possible without her determination, dedication, and phenomenal work ethic. I am grateful to be part of a team that cares so much.

Even with the resounding successes of 2023, I would be remiss to say that the year was not without its challenges. CKF has seen its share of administrative turnover in the last several years, and so 2023 was really a re-building year in a lot of ways. But the challenges we faced were also incredible growth opportunities, and I am very excited about the direction the Foundation is heading. We may be a small staff of two, but we have big ideas and the energy and drive to turn them into action. I can confidently say our passion for the mission is unmatched!

Our programs and events saw tremendous growth across the board throughout 2023. We revamped and reimaged our existing initiatives to help maximize potential and reach, and these updates and upgrades proved effective and successful.

We also dreamed big this year. We brought new ideas to the table, and explored new programming. As the new ED, I may have overextended our staff a bit, but like I said, it was a learning year.

I am delighted to say we welcomed 5 new Board members in 2023, and each has already proven to be a welcome addition to the team. Let's see what this Foundation can really do!

Cheers to 2024!  
Jessi Rochel

# Inspiration

## 1 Donor Stories

Our Donor Stories Program aims to share the journeys of members of the donation and transplantation community. This year, we released **10** stories featuring various individuals, including donor families, recipients, caregivers, and more.

This program has reached over **1,000** individuals nationwide, inspiring people to register as donors, and support those in the transplant community.

## 2 Patient Ambassadors

We have a wonderful team of Patient Ambassadors across the nation. These volunteers work hard to encourage others in the community to strive for their greatness. They are dedicated to promoting organ, eye, and tissue donation in their local communities.

This year, we added **7** ambassadors to make a team of **22!**

# Education

1

## Donor Dudes

Our Donor Dudes Program continued to grow in 2023. There were **37** events held that reached over **18,000** individuals all over the nation.

Events included senior bingo, 5K races, bar nights, festival booths, speaking engagements, and organ donation-themed art classes.

2

## Toolkit for Teachers

With a successful revamp in 2022, this program had **142** enrollments in our **4** courses in 2023.

Since 2017, **751** individuals and classes have learned about organ, eye, and tissue donation through our free online curriculum. Students can choose between our Elementary, Middle, and High School courses, or our DMV refresher course.

# CKF Webinar Series

The CKF Webinar Series continued this year with the aim to discuss everything not discussed surrounding donation and transplantation. In 2023, we recorded **10** webinars and released **8**. These webinars reached **2,700** individuals nationwide.

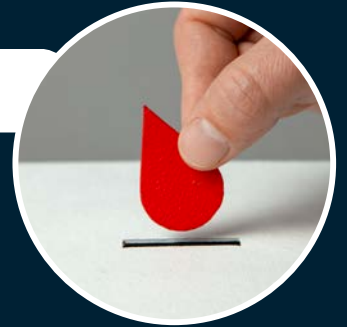

Life Post Transplant

Mental Health & Transplant

Finance & Transplant

Blood Donation

Donor Families

Understanding the Medical Talk

Pregnancy & Transplant

In 2023, the CKF Awards were updated to include two new categories for trailblazers in the donation and transplantation community. The Hero Award honors a living donor or donor family member who has inspired others with their decision to donate. The Community Champion Award celebrates an individual who has gone above and beyond to educate and inspire. We continued our Bounce Back, Give Back Award for a transplant recipient who has not only bounced back to live a healthy lifestyle, but has also given back to the community.

## Katrina Fountain

*2023 Hero Award Winner*

Katrina is the winner of the inaugural Hero Award due to her resilience and strength to make a selfless decision during the most difficult time. On 9/16/2000, her son, Jaleel, became a donor hero at the age of 5 weeks old. Katrina was just 19 years old when she authorized Jaleel to give the gift of life.

Katrina spent years unable to say her son's name, but in June 2021, Katrina reached out to LiveOnNY, her local OPO, and became an advocate and volunteer to educate individuals nationwide about making the decision to donate.

## Dave Galbenski

*2023 Bounce Back, Give Back Award Winner*

Dave is the recipient of a liver through living donation. He was in his forties when he was diagnosed with PSC, a rare autoimmune disease, and told his only hope was a liver transplant. Dave's brother-in-law, Mark, stepped up and became his hero by donating his left liver lobe.

After his transplant, Dave resumed long-distance running, racing in three Detroit Free Press half-marathons. After becoming the 2023 Bounce Back Winner, Dave ran the NYC Marathon with Team CKF. He has worked to increase awareness by hosting Living Donor Awareness Nights at Utica, Michigan's professional baseball field. He has also hosted MLB Awareness Nights with the Atlanta Braves and the Cincinnati Reds. Finally, Dave has worked to eliminate barriers to living donation in Michigan, utilizing his legal background to help advance legislation to overcome these obstacles.

## Maria Fernanda Filizola

*2023 Community Champion Award Winner*

Maria is a two-time caregiver, previously for her ex-husband and currently for her daughter, Nevaeh; both were diagnosed with Alport Syndrome. Maria cared for her partner during his wait for a kidney transplant. Nevaeh has received two tendon transplants, and is awaiting a kidney transplant.

In 2015, Maria was inspired to become a volunteer for Donate Life Northwest. She worked tirelessly to raise awareness and educate the Latino Community. She was then recruited as the DLNW's Community Engagement Manager, and focused on translating education materials and ensuring those in the Latino community are educated and supported. Maria has reached over 11,000 people in the Latino Community alone!

# Awareness Events

## NATIONAL DONOR DAY

This is one of the biggest days in the donation and transplantation community. In 2023, CKF hosted two virtual blood drives with the Red Cross and Vitalant, as well as a blood drive with Children's Colorado Hospital and two awareness booths at MSU Denver, reaching **12,000** individuals.

## WINE & DINE GALA

This year's event was another smashing success as **114** individuals joined for a night of celebrating the gift of life. We were joined by all three 2023 CKF Awards Winners. The event was also a massive fundraiser for the Foundation, raising **\$182,000**.

## LEADVILLE 100 MTB

CKF headed back to the Leadville 100 MTB with a team of **14** bikers, who each took on the beast and finished. This year's team raised an incredible **\$68,707** and reached a colossal **5,250** individuals nationwide.

# Awareness Events

## LEADVILLE 100 TR

This year's Leadville 100 Trail Run saw **5** Team CKF members take on the challenge, including a liver recipient. Unfortunately, no one on the team finished, but they did reach **3,000** individuals nationwide and raise **\$28,022**.

## NEW YORK MARATHON

The NYC Marathon was another monstrous event for CKF, with **13** runners answering the call. All runners achieved their goals and finished the race, as well as raised **\$51,025** and reached **300,600!**

## SUMMIT FOR LIFE

We capped off a huge year with our flagship event, Summit for Life! While we did have to reschedule for high winds, we had **366** racers and **84** riders registered, making it our biggest yet. The event raised over **\$122,000** and reached over **30,000**.
